

Computer and Network Access Agreement Form

By completing and signing this form you are agreeing to all PSU GURU policies pertaining to computer and network access and data security (including but not exclusive to AD20, ADG02, AD23, AD65, AD71, AD19, AD35, FN14, and RA18), the College of Arts and Architecture IT policies, and the EDUCOM statement on using software, in order to obtain network access provided within the College of Arts and Architecture and/or a computer owned and maintained by the college. You acknowledge that violation of any of these policies can result in sanctions that may include removal of network access, revocation of computer hardware, and reports of the violation(s) to the PSU Accounts Office and Office of Information Security who may take additional actions. This is an effective restatement of your agreement for your PSU Access account that applies specifically to your access and computer use within this college.

You agree to use the college owned computer and network resources in a manner appropriate to the duties of your employment at Penn State. You agree that these resources are not intended for personal use, and such use is not supported.

It is understood that college IT staff are bound by these policies as well as AD53 pertaining to privacy and will respect the privacy of your data when servicing any system on which it resides.

Please return completed forms to the AAIT Helpdesk at 216 Borland Building.
